

JOB VACANCY

Fire Risk Assessor

SALARY Negotiable

CARNEY
CONSULTANCY

Carney Consultancy are looking to recruit a new Fire Risk Assessor to their growing team.

We are looking for a candidate with a keen interest in all things fire and Health and Safety. The ideal candidate would ideally already have the NEBOSH fire certificate, or equivalent or be working towards this qualification. We will then if the selected candidate is in agreement look to support the chosen candidate through the funding and studying of Fire Risk Assessors courses and Fire door Inspections courses. For the right candidate there is scope for higher level qualifications in the future, such as a Fire Engineering Degree, as this section of our business grows further.

The role will involve fire risk assessment and fire door inspections and as we are a BAFE accredited company we would be looking to advance the chosen candidate to a Fire risk assessment validator, if they are not already at this position. We are looking for an individual to join a growing team of 3 existing Fire risk assessors and 6 fire door inspectors.

Someone who has experience of dealing with the general public for the enquiries and questions we need to address during our assessments. We currently undertake around 200 fire risk assessment a year for a mix of commercial buildings and residential buildings.

This position would suit someone looking for either a full time role or a part time role with a minimum of 3 days a week being required.

Working Hours	Monday – Friday 08.00 – 16.30 although flexible depending on the candidate and there is often much working from home available, following a probationary period, for producing reports.
Starting Salary	Negotiable as dependent on qualifications and experience
Benefits	Profit related bonuses & Company Pension, 26 days annual leave + bank holidays
Extra	Company Van / car / car allowance
To Apply	Please send Letter of interest / CV to info@carneyconsultancy.co.uk
Dates	13 th September 2024
