ENVIRONMENTAL POLICY STATEMENT

Carney Consultancy Holdings Ltd recognises the importance of environmental management and is committed to operating its business responsibly.

Carney Consultancy Holdings Ltd is committed to:

- Compliance with relevant environmental legislation and other requirements that the company subscribes to, which relate to the company activities, products and services
- Prevention of pollution
- Developing, implementing and regularly reviewing the Environmental Policy and Procedures, ensuring that these are kept up to date with legislative and organisational changes and ensuring, wherever practicable, that industry best practice is followed.
- Provide training, support and required resources to employees to ensure effective implementation of the environmental policy, as appropriate to their roles.
- Continually improving the company's environmental performance by setting and regularly reviewing a framework of objectives and targets.
- Environmental Protection which considers Sustainable Resource Use and Climate Change Mitigation

This Environmental Policy is communicated to all employees and made available to the public on request.

SIGNED:

A handwritten signature in black ink, appearing to be "A L Carney", written over a light blue horizontal line.

A L Carney
