

GENERAL STATEMENT

It is the policy of this Company, to provide and maintain, so far as is reasonably practicable, for all our employees and those who may be affected by our operations a commitment to:

- Safe and healthy working conditions including adequate facilities and arrangements for employees' welfare.
- The Prevention of Injury and Ill Health to our employees.
- Adequate control of the Health and Safety risks arising from our works.
- Safe plant, equipment and systems of work.
- Safe handling, storage, transportation and use of substances.
- Sufficient information, instruction, training and supervision to ensure the Health and Safety at work of our employees.
- An accident reporting and investigation procedure to assist in achieving a reduction in accident rates, by analysing accident root causes and trends.
- A system of consultation and participation with our employees on matters affecting their Health and Safety, in compliance with the Health and Safety (Consultation with Employees) Regulations 1996.
- Continually improving the company's performance by setting and regularly reviewing a framework of objectives and targets.
- Comply with our legal requirements and with other requirements to which our organisation subscribes.

Employee's legal duties to cooperate with Carney Consultancy Holdings Ltd and follow systems laid down to control hazards and risks, for the prevention of accidents, injury and ill health, are communicated to all employees. All employees are requested to inform Carney Consultancy Holdings Ltd management of any serious and imminent dangers or shortcomings in the Company's Health and Safety arrangements.

This policy will be reviewed annually or more frequently if circumstances warrant, ensuring that standards are maintained or improved wherever possible.

It is our intention at all times to strive to better ourselves and others through training and constant personal development to make our working environment a safer place for all to work

Quality Policy Statement

As a consultancy company which undertakes Health and Safety Consultancy, CDM Consultancy and Principal Designer duties within the construction industry it is our objective of Carney Consultancy Holdings Ltd to create a company environment of excellence not only in our workmanship but also for our employees and persons affected by our works. We have devised the following policy to achieve these objectives:-

- We aim to deliver our service efficiently and effectively in compliance with the clients specifications
- We endeavour to meet our clients expectations in terms of quality of training and consultancy
- Provide authoritative, independent and highly professional services that delight our clients and that fully satisfy their requirements
- Ensure all staff are trained and briefed about all the quality documentation so that they can implement the policies and procedures in their work
- Comply with all relevant legislation;

This will be achieved by;

- Establishing, implementing and maintaining a quality management system certified against BS EN ISO9001 and which also complies with the requirements of the appropriate international accreditation standards
- Setting and reviewing measurable quality objectives and ensuring those objectives are met
- Providing the necessary resources and ensuring responsibilities and authorities are determined and communicated throughout Carney Consultancy Holdings Ltd
- Reviewing the effectiveness of the quality management system and assessing opportunities for its continual improvement
- Ensuring everything we do is always carried out in accordance with stated methods and customers' requirements.

The Policy and associated documentation is made known to all employees and will be reviewed on a regular basis.
